TIPS AND IDEAS FOR STREET ART AND STUNTS

CREATIVE ACTION - SOLIDARITY TALLY POSTCARDS

The creative actions we are asking you to collect and do signify milestones in the cases of our Brave individuals at Risk.

6 June 2018 marks one full year that Taner Kilic will have been imprisoned.

21 August 2018 marks one full year since the verdict against Arash Sadeghi and Golrokh Ebrahimi Iraee.

Ask people in your community to colour in the tally marks on the front and write or draw a message to Taner or Arash and Golrokh on the back.

Collect them and add them to a Wall of Actions at your Stunts on these key dates to show how many people care about these Brave individuals at risk.

72 x 5 = 365 days, that's one full year.

Aim to collect 72 for each for Taner, Arash & Golrokh. Set your group a target to collect at least 72 of these actions in the lead up to the key dates.

You could create a wall of actions to display them at your stunts.

Take a photo of your group with your wall and send it to activism@amnesty.org.au. After your stunts post your creative solidarity actions back to us and we will send them on to Taner or Arash and Golrokh.

STREET ART - CHALK TALLY MARKS

Create art - the easiest way!

The tally mark symbol is very simple, you can do this freehand and ask people to join you, you don't even need a stencil. You can do it anywhere, any time. Grab some chalk, some friends and group members and get drawing!

When people start seeing the symbol drawn all over their town, suburb or city they will start wondering what it's about, building curiosity.

STREET ART - LARGE STICKERS AND POSTERS

Grab a bunch of the Taner, Arash and Golrokh face stickers from your local action centre and plaster them around your local area.

- Decide where you want to put the stickers and posters.
- Where are there walls or walkways where they would look good?
- Your local cafe - ask if you can put them in their windows or on the wall of their building.
- Where do people walk past regularly?
- Check if you need permission to put the poster up?

TAKE YOUR ACTION TO THE NEXT LEVEL

Try poster on fence lines!

- Decide where you want to put the posters.
- Where are there fences or railings where they would look good?
- Where do people walk past regularly?
- Do you need permission? Ask your council or the manager of the building where the fence is.

Tips for how to poster on fence lines:

- Cut them into strips the width of the fence post.
- If you are not allowed to put them down semi-permanently you can use blue tac - use lots, they should last for a few days.

Remember to take photos and email them to activism@amnesty.org.au.

PUBLIC STUNTS

Make noise! Make it BIG, make it LOUD, make it so no one can turn a blind eye! Groups around the country will be holding stunts on key dates of 6th June and 21st August 2018.

Use the creative actions you have collected in the months leading up to your events and create a wall of actions at your stunts. It could be something as simple as using blue tac to stick them to a wall somewhere in your community.

Other stunt ideas:

- Buy a large canvas and use markers or spray paint to create a mural that members of your community can help create during your events in the lead up to your stunt and during the stunt.
- Spray paint or permanent ink on a wall or walkway - you may need to ask your council or the manager of the building where the wall or walkways are. Once approved, go for it!

After your stunts, don't forget to post your creative solidarity actions back to us and we will send them on to Taner, Arash and Golrokh.
