

## TUNISIA: DEMAND CHAIMA ISSA'S FULL FREEDOM

*The President of Tunisia Kais Saied  
Tunisia*

Speaking out for what she believes is right runs in activist Chaima Issa's (she/her) blood. The daughter of a former political prisoner, Chaima speaks truth to power. Even if the cost is her freedom. Human rights in Tunisia have deteriorated, many courts lack independence, and freedom of expression is under assault. After meeting with foreign diplomats alongside other Tunisian opposition figures, Chaima was arrested in February 2023 as part of an investigation for alleged "conspiracy". She was released after more than four months of arbitrary detention, but the legal case is ongoing and the authorities have banned her from travelling abroad and "appearing in public spaces". A military court, which lacks independence, is also investigating Chaima for criticizing the authorities on a radio show. She faces decades in prison. I call on you to immediately drop all charges and other restrictions brought against Chaima.

Yours sincerely
