# LOCKED UP AND SILENCED FOR STANDING FOR PEACE\*\*

## Mark Kislitsyn

📍 Russia

Mark Kislitsyn is a transgender man and human-rights defender from Moscow.

In December 2023, he was sentenced to 12 years in a penal colony for “high treason” after donating about \$10 to what he believed was a humanitarian fund for Ukraine.

His actions were purely humanitarian — yet he’s

imprisoned over 3,000 kilometres from home, denied gender-affirming care, forced to wear women’s clothing, and repeatedly placed in solitary confinement.

Mark’s only “crime” was standing for peace and equality.
